COCKTAILS

EQUIVOCAT 🍷 12

A Spritz, a French 75 and a Negroni sbagliato walked into our bar.. and stayed to become this fizzy drink full of local Cava

LA MAGMA 🍷 12

*Our staple. Our signature. Light drink to order if you only want just one – especially if you like cherries and **rum***

GUERRITA 🍷 12

*A bit spicy, a bit sweet, and unlike any other **tequila-mezcal** Margarita you'd tried before*

CGI 🍷 12

*Cilantro bursts into a classic Gimlet, zesting up **gin** with lime & sugar – a refreshingly herbal twist*

JOHNNY UTAH 🍷 12

*Italian **saffron** and a Dutch **egg liqueurs** join forces with orange and vanilla for this creamy refreshing highball*

COCKTAILS

PLACEBO ☐ 12

Based on Irish **whisky**, this sour cocktail is also smoky, spicy and with umami notes all over it. A medicine for everything

VERDANT 🍷 12

This **Calvados**-based cocktail is full of apples and pears – everything you might want from a fruity summer drink

LOMO NEGRO ☐ 12

A **Negroni** twist named after a Spanish volcano. Nuff said. Garnished with cap de llom and capers from the market

EL BORN 🍷 12

Bourbon-based cocktail with coffee and cherry notes, with bitterness provided by Italian amaro

THE RUST 🍷 12

Well-balanced, quite strong and so very capable – just like the man we named this **brandy** Rusty Nail version after
